

A Scale

Starting on the A string, put down 1, 2, then 3 fingers.

Do the same on the E string, then try the whole scale in reverse!

Play two of each note, and try to use plenty of bow!

The diagram shows a musical staff with four horizontal lines. The notes and fingerings are as follows:

- Top line: $-3-3-3-3-$ (above the line)
- Second line: $2\ 2$ (below the line)
- Third line: $1-1$ (below the line)
- Fourth line: $E\ E$ (below the line)
- Fifth line: $3-3$ (below the line)
- Sixth line: $2\ 2$ (below the line)
- Bottom line: $1-1$ (below the line)
- Bottom-most line: $A\ A$ (below the line)

The notes on the second, fourth, and sixth lines are labeled 'E', and the notes on the bottom-most line are labeled 'A'. The scale is written as a sequence of notes: A, E, A, E, A, E, A.
